As some of you may be aware TEN MILE BANK and HILGAY schools have federated becoming THE RIVERSIDE FEDERATION. This means that they are still two schools with two uniforms, two site and their own identity, however have one head teacher and one governing body. The governing body hope that this will mean a more secure future for the schools and our communities.

A Poem from "Fred the Shed"

I wake up in the morning

I look at the day ahead

I potter in the garden

I potter in my Shed

Or I potter in my garage

But no way

I stay in bed

And avoid us having to ask again!

New Play Park

Thanks to the Parish council, funding and some excellent fundraising, Ten Mile Bank finally have their new play park! The school Council worked closely with the Parish council to gather ideas and do some research in order to purchase four items of play equipment that would benefit the whole village.

In the end they came up with a zip wire, a roundabout—also suitable for wheelchairs—a bucket swing and a rocker for Toddlers. Come along and have a play (closed during school hours)
