## TEN MILE BANK PRIMARY SCHOOL NEWS

We have had a fabulous start to school this term, we have now elected our new School Council and they are looking forward to the challenges ahead and carrying on the work from the previous School Council so watch this space .....

**School Council**

Before we broke up for the summer holidays, we entered the Schools in **Bloom Seed Tray Competition** that took place at Downham Market Town Hall on Sat, 7<sup>th</sup> July and we were so excited to come **3<sup>rd</sup>** in the overall competition.

Our Tadpoles class put together some fantastic trays to represent the Olympics and they worked really hard.

This term's topic is Australia so we are finding out about our friends down under and the children are enjoying all the research and staff are quite enjoying looking through the holiday brochures!

**A HUGE THANK YOU** to everyone who also gave us their supermarket vouchers for:

Tesco's – Used for new rounder posts, netball bibs and balls.

Morrison's – Used for lots of new seeds and trays for our garden.

It's a shame to report that during the summer holidays the lead was stolen off the School roof which caused damage due to the roof leaking through all the awful rain that we had throughout the summer.

We would like to **thank one of our eagle eyed pupils** who spotted a huge hole in the fence and alerted staff members, one of our Parish Councillors who came to the rescue with his CSI skills and to the Caretaker for dealing with all the mess and stress that it caused through the holidays. We are happy to say the roof is now fixed ready for winter.

This year's **School Council** is chaired by Ted Nicholson, with Jessica Feltwell as the Secretary. They will be holding meetings every other Friday afternoon when they will have the opportunity to influence what is going on in School as well as planning events for the children over the year. Each year group has their representative on school council and today they will coming home with their new Council badges which we hope they will wear with pride.

The Council are going to produce their own newsletter so the children will bring copies home.

One of the first events of the year will be **Children in Need** on Friday, 16th November. The School Council have opted for a non uniform day (50p per child). They are going to make sweets in School and we hope that you will support them by making sweets at home. There will be a sweet stall towards the end of the afternoon.

The other idea they have had is to make a Pudsey eye patch to sell to the children.

One idea for the future is to hold a **Christmas Disco** in the canteen, hopefully with the support of the Friends of School, date to be arranged. Our School Council representatives are: Ted Nicholson, Jessica Feltwell, Elliot Higgins, Jordan Jackson, Lewis Rush, Lee Clifton, Louisa King, Sophie Wortley, and Liam King

Hilgay Village Primary School are off to:.....

**Alpha - Dinosaur Adventure** - As part of their topic this term, Alpha class will be visiting the dinosaur adventure park. Here they will have the opportunity to see large model dinosaurs in their own habitat surroundings and learn about the history of dinosaurs and what our planet was like at the time.

**Gamma to Gressenhall Rural Life Museum** - The museum have special days throughout the year and we are delighted to be able to attend one of their special World War 2 events which links into the class topic.

The children will learn about WWII life and living in a rural community. The museum likes the children to travel back in time so please help your children by coming in their WWII costume.
